## 10 Easy Ways to Support NARAL Pro-Choice Texas

### 1. Become a member

Stand up and be counted by giving \$15 or more (visit <http://www.prochoicetexas.org/support/> to join!).

### 2. Join Sarah's Circle

If you can't donate a large amount all at once, consider joining Sarah's Circle (a group of monthly pro-choice donors named after Sarah Weddington, the Texas lawyer who argued and won *Roe v. Wade*) and have a smaller amount automatically debited from your credit card or checking account each month. It's simple, convenient, and makes a huge difference!

### 3. Host a house party

We know many of your friends are hip to the scene, like you... have them over for a movie night or cocktails for choice. Contact us to request a house party kit.

### 4. Participate in the email network

Keeping in touch with our online activists via email allows us to use your dollars in a timely and efficient manner. Visit <http://www.prochoicetexas.org/getinvolved/> to join the Choice Action Network.

### 5. Volunteer for a pro-choice candidate's campaign

Elected pro-choice officials are our voice at the Capitol.

### 6. Join the Choice Action Team (CAT) in your area

CATs are groups of pro-choice volunteers, like you, who are making a difference on the local level. To join a CAT in Austin, Dallas, Houston, or San Antonio, or start one in your area, contact us.

### 7. Start your online shopping at a site like [www.BuyForCharity.com](http://www.BuyForCharity.com) or [www.Giveline.com](http://www.Giveline.com)

By selecting NARAL Pro-Choice Texas Foundation as your charity of choice, you can shop from hundreds of online stores you buy from already, and have part of your spending donated to us at no extra cost to you!

### 8. Workplace giving

Choose to support NARAL Pro-Choice Texas Foundation through your workplace giving program. If your employer does not have a payroll deduction program, contact Community Shares of Texas ([www.CommunitySharesTX.org](http://www.CommunitySharesTX.org)) and they'll work with your company to set one up.

### 9. Share your talents

Are you a graphic designer? An IT expert? Put your skills to work for the pro-choice movement!

### 10. Sponsor an event

Underwriters ensure successful events right out of the gate.
